

### **Venture Capital Analyst (Full-time position)**

We are looking for our next Investment Analyst from September 2023 onwards. The position will be located in our HQ in Luxembourg.

Mangrove is one of the oldest and most successful venture firms in Europe and notably backed at an early stage amazing companies such as Skype, Wix, Walkme, K Health, RedPoints, The Bank of London, and many more. With offices in Luxembourg, Tel Aviv and Berlin, Mangrove invests in early stage ventures in the digital space across Europe and Israel.

### **What we offer**

A rare opportunity to learn about the venture business and gain deep insights into our diverse portfolio of companies. You will assist the team notably in identifying suitable start-ups, performing market and sector research as part of the due diligence process, delivering top quality documentation towards the decision process, supporting in various ad hoc portfolio company matters.

### **Requirements**

You will have an amazing time at Mangrove if you...

- are passionate about technology and start-ups
- have excellent communication skills (both written and oral)
- are highly self-motivated with the ability to work and think independently
- have a strong academic background. Technical background is a plus
- are fluent in English. Fluency in French is a plus.

Prior experience in a fast-paced environment such as consulting, investment banking or start-ups will be valued.

### **Next steps**

If this sounds like a job for you, please send an email to [jobs@mangrove.vc](mailto:jobs@mangrove.vc) with the subject "Mangrove Analyst Application" and the following elements:

- CV, including social media links: LinkedIn, Twitter (optional), Personal project/blog (optional)
- Suggest one tech company that you think is interesting for Mangrove to invest in. Please give 1-2 reasons as to why (1 paragraph for each max)
- Tell us which technology trend or sector excites you and why (1 paragraph max)
- Indicate your availability (dates from September 2023 on)

We are looking forward to hearing from you! We will reach out where we see a strong potential match.
